WHY SCHOOLS ARE STARTING TO

REWARD STUDENTS WITH REWARDS TRIP?

Most of the schools in the UK and across the world, are starting to reward students with rewards trip. This rewards trip is not going to be in a museum or an educational place, but in a Theme Park or somewhere entertaining for the students.

Now these rewards trip is not for everyone, but only for those people who behaved in that term or that year. Sometimes it can be for a specific year group , For Example year 9.

Me myself as a student I've been rewarded with a rewards trip to Drayton Manor Theme Park, but even if it's a rewards trip we still have to pay some money. I've been awarded rewards trip to Alton Towers and Hollywood Bowl as well.

In my opinion the purpose of rewards trip is to tell the people who didn't behave to behave so they can go to the next trip if

they behave. And believe you me it's fun going on the rewards trip. Hanging out with friends.

The message for Parents: "Don't think this trip is a normal trip, your child deserves This trip as he/she has worked hard for it."

Not every trip is a rewards trip but it might be a once in a lifetime opportunity. This might be because when you grow up you might be too busy in your business and you don't have time. But not everyone can go to these type of trips, as there are limited spaces available.

Thanks for reading my opinion on Why schools are starting to reward students with rewards trip? !
