Course Outline for Y11

Having already completed their exam for the subject last year students will be working on the final unit of the course. In this unit they will be given a track and remixing it to a given style. They will then have to complete a large written assignment evaluating what they did.

Weightings:

Coursework : Muspra 226 remix unit and Muspra 222

Examination : Already completed in year 10

What students should be doing to achieve:

- Completing all homework worksheets. These will help with the final assignment.
- Act on feedback from these worksheets – look at them when your are completing your final write up
- Make sure you keep organised and save the work in **your** folder on the network
- Attend all lessons
- Attend your instrumental lessons if applicable

How parents / carers can help students achieve:

- Take a note of the final deadline to help remind your son/daughter
- Ask Son/Daughter to show you the work they have done – they should be able to show you actual evidence of some of their tracks
- Check planner for homework
- Get in touch with me (Mr Hunt) if you have any questions

Support and Interventions available at school:

Lunchtime Music Technology club every Wednesday / use of facilities at any lunchtime and after school

Dates to make a note of:

Muspra 226 hand in : 11/01/16
