Course Overview

This is a Vocational qualification that takes an engaging, practical and inspiring approach to learning and assessment. Digital Media is a key part of many areas of our everyday lives and vital to the UK economy. Production of digital media products is a requirement of almost every business so there is huge demand for a skilled and digitally literate workforce.

What are they doing?!

Student will work on Unit R082 Coursework which will be completed Summer 2019. Here after, they will start work on Unit R001 Exam theory. This will prepare your child to undertake their exam whilst they are in year 10.

To complete the qualification your child will complete the remaining two Units, R085 and R087 A combination of all the units will award your child with a GCSE equivalent at Level 2.

How can you help

- Provide your child with resources at home such as software, books and revision material.
- Having a constant dialogue with your child about their learning will help them consolidate their understanding.
 - Check and help with homework where possible.
- Encourage your child to attend computer club and enrichment sessions.
