Dear Parent/Carer

RE: SCHOOL CLOSURE – GOVERNMENT UPDATE

As you will no doubt have seen the Department for Education has released new guidance in relation to the COVID-19 and school closures. We remain closed completely this week due to a lack of staff.

We will continue to be closed to students unless:

- Your child comes under the vulnerable category - those who have an Education, Health and Care Plan or a social worker.
- You work in a key profession (e.g. healthcare, police or prison officer, fire fighters, ministry of defence). The government will release further advice on which professions are included.

If you meet one of the criteria - please contact Ms Walton urgently to let her know if your child will be attending from Monday 23 March.

Ms Walton's email: jwalton@cityleicester.leicester.sch.uk or contact the school reception in the morning on 0116 241 3984.

While the Government has not set out how long these measures will last for, it is possible that this could be in place for several months. We will continue to send through resources and set learning tasks on line to help support your child's learning.

This is clearly an unprecedented situation and I appreciate this will cause disruption for you all. The additional information relating to the cancellation of the GCSE and A Level exams will be followed carefully by us all and we will advise accordingly once we receive further clarification. Please take care and support all that you can.

Kind Regards

Anne Gregory
Head Teacher
