

Year 13 Sociology Summer work

The following tasks are designed to help reinforce your Year 12 knowledge and prepare you for the Year 13 content. Please bring your completed work to your **first** Sociology lesson of the new term.

Crime and Deviance

Your task for crime & deviance will be to watch something in relation to C&D and once you have watched it you must then write a brief response for each one you watch. Each response should be no more than 500 words.

In the response, you should:

- Provide a brief summary of the film.
- Tell me about what you learned. What do you know now that you didn't know before?
- Tell me about what you think or feel about what you learned. What did you like or not like? Was anything surprising? Or intriguing? Or disturbing?
- Note any links to what we've covered so far. This might be a key concept or a theory. You might say something like 'This made me think of...'

PART B: Watch the documentary "*Stephen Lawrence: Time for Justice*" which can be found online at <https://www.youtube.com/watch?v=ZsHwKPE0mjU>
